# CURRY LEAF BY LAKSHMI — AUTHENTIC KERALA MENU

## HOMEMADE WITH LOVE • AUTHENTIC KERALA FLAVOURS • SERVED WITH PASSION

My name is Lakshmipriya, and cooking has always been one of my greatest passions. I find immense joy in preparing delicious meals and sharing them with others—whether with family, friends, or guests gathered around the table. Over the years, I have lovingly prepared traditional Kerala dishes for my friends and family, and their constant encouragement, appreciation, and support inspired me to transform my passion into a small home-based venture.

To me, food is more than just nourishment; it is a way to bring people together and create joyful memories. Every dish I prepare reflects my love for authentic Kerala cuisine and the care I put into each step of the cooking process. My menu features special recipes that I have developed and perfected over time, while remaining true to the rich flavours and traditions of Kerala home cooking.
